## Annual Subscriptions

Your annual subscription is due on **1st October**. Subscription to DVA entitles subscribers to be entered on the DVA website and have priority when applying to participate in all future publications and events. The subscription fees remain unchanged for 2008-9. **We are able to offer you a 20% reduction on two years subscribership if you apply now. Details of the levels and rates are set out overleaf.** Having subscribed we will send you your username and password to access your own directory page. If you do not have access to the internet then your text and images can be uploaded for you in the first instance. Subsequent changes may attract a small fee. Please contact DVA to discuss. **Please note that subscriptions should be paid by 14th October after which unpaid fees will result in entries on the website being quarantined.**
